PROFESSIONAL EXPERIENCE

Gouvêa Experience — Gouvêa Ecosystem · Director of Operations & Events

Jun 2022 – Jan 2026 · São Paulo, SP

Joined as Head of Operations, promoted to Director in Jan 2024. Expanded mandate over the proprietary events portfolio of Brazil's largest retail intelligence ecosystem (21 companies, 350+ consultants).

- Scaled annual events portfolio from 4 to 13 proprietary events (+225%), establishing replicable playbooks and governance frameworks without proportional cost increases.
- Engineered 40% reduction in venue costs and 30% reduction in infrastructure spend through procurement intelligence and vendor scorecards.
- Transformed Latam Retail Show — from mass-attendance expo (14,000 m²) into premium C-Level experience (8,000 m²) —, achieving NPS of 92, the highest in the event's history.
- Built proprietary B2B sponsorship model, converting event cost centres into partially subsidised revenue assets through strategic brand activations.
- Managed international events: NRF New York, NRF Asia Pacific, and trade missions to China.

MCI Group · Project Manager — Sponsorship & Corporate Events

Jul 2018 – May 2022 · São Paulo, SP

Global events agency. Led strategic account management for Gartner LATAM (Brazil and Mexico), coordinating high-complexity B2B symposia for Fortune 500 technology leaders.

- Managed full sponsorship lifecycle for Gartner Symposia — servicing Google, IBM, Oracle, Microsoft, Amazon, Cisco and SAP.
- Delivered trilingual (PT/EN/ES) event coordination across pre-production, live event and post-event phases.
- Coordinated hybrid and virtual high-security events for the financial sector at Hotel Unique during the pandemic.
